A motion to Accept the finance report was made by Al (N9MAF) and seconded by Cliff (KØCA). The motion carried.

REPEATERS:

Al (N9MAF) reported that he opened the vents at the 88 site. He is still working on getting the programming software and a laptop that will run it for the 88 machine. No problems noted with 625, other than some occasional noise, which may be from other repeaters that are on the same frequency and tone.

OLD BUSINESS:

Don (KDOHHN) Bridge the Gap run, set for the 15th. John Simon, Adams CO EMD, said if we have anyone interested, let him know. Dave (W9WE) said he is working on the EMA repeater and hopefully it will be up and running by the event. Anyone interested, contact Don.

Al (N9MAF) notified the club that he still had some of the old equipment left. Ken (KFØCYT) picked up quite a bit of the gear and will be sending a check to the club for the equipment. Al still has the following equipment:

Drake R4B and T4XB; HW16 and HG VFO; straight key; MFJ 16010 tuner; misc. odds and ends.

Don (KDØHHN) said that we will be doing Field Day from home again due to lingering issues with COVID. The ARRL has made changes to the rules for this year to allow Class D (Home) stations to contact all class stations. Hopefully next year we will have a home to operate from.

NEW BUSINESS:

Don (KDOHHN) reported that he received an email from DX Engineering regarding presentations that they are doing for clubs via Zoom. The presentations range from contesting to station set up. Don will contact them to see what presentations they can do. We would also need to see if wi-fi/internet is available at the meeting site.

A question was brought up about doing communications for the Hannibal Cannibal. Don (KDØHHN) had attempted to contact the organizers of the event, but had not received any reply about helping with it.

Dave (W9WE) was asked if the Quincy hamfest was going to be held this year. He replied that he didn't think it would be, but the Quincy club had been doing tailgating before their monthly meeting, then holding the meeting afterward. Anyone interested, contact him for time/place.

With no other business to conduct, a motion was made by Ed (NØWNV) seconded by Al (N9MAF) to adjourn the meeting. The motion carried and the meeting was adjourned at 7:30PM.
